

# PROVIDENCE ACADEMY

## TRACK AND FIELD COACH

Providence Academy is seeking a part-time track and field coach for our upcoming middle school and high school spring season beginning in March 2019. We are specifically looking for help with distance coaching and throwing. You do not have to have experience in both of these areas to be qualified for this position.

Qualified applicants must have a passion for athletics and have some experience with creating workout plans for middle school and high school students. College students are eligible to apply. Practices would be Monday-Friday from 6-8 pm at the University of Wisconsin-La Crosse track. Qualified applicants would be expected to be at 2-3 practices a week and most meets. Meets are usually during the week, but occasionally on the weekends.

Providence Academy is a private, classical academy taught in the Catholic tradition. Therefore, we expect our coaches to help develop and maintain an environment that promotes Christ-like character and sportsmanship. Through our athletic program, we also hope to aid students in learning life skills of leadership, commitment, integrity, loyalty, time management, self-knowledge and self-discipline and to develop camaraderie, school spirit and school pride through participation and commitment to a team.

If you are interested in being considered for this exciting coaching opportunity, please email your resume to: [office@providencelacrosse.org](mailto:office@providencelacrosse.org).
